Special Edition of the C.R.W Newsletter

Hello all hope you had a great Thanksgiving. This a short newsletter to help catch up on the news that is happening that we couldn't get into the last letter.

Some of us have been out doing demonstrations, on November 5th and 6th Coulee Region Woodturners helped with the yearly tool show at A-Line was an opportunity to shine.

Then on November 14th and 15th Jim Frank, Duane Hill, and myself went to Eau Claire WI. to take part in the 2010 Chippewa valley Woodturners Guild Symposium. We were at the 29 Pines Convention Center. Duane Hill was there to give a presentation on how to fix mistakes. Jim Frank and I were there to Demo for A-Line Tool. We had good crowds and had fun talking and turning.

The symposium was the second one that Chippewa Valley Woodturners Guild has put on. They had demonstrations going on for the 2 days, and there members had there work on display for all to enjoy. They had different vendors there with turning tools, turning blanks and burls, wood carvers, a Lathe manufacture, and more.

We made friends with a couple wood guys, and want to thank Clyde Cassel for the black ash burls that he brought from Up North Burls and gave them to Jim & I to turn, nice blanks check them out at: <http://upnorthburls.net> or call Cory At 218-283-4045 We also made friends with the folks from Wisconsin Woods Wood, there in Durand WI. there loggers for the last 25 years, they gave me a Cherry bowl blank nice stuff check them out at: <http://wisconsinwoodswood.com> or give them a call 715-672-8690.

Also I want thank Tom from A-line for his donations to our club of Black Ash Burl that he got from Up North Burl. We will offer these blanks to the club at the December meeting.

December meeting we will be having the elections for our officers and technical advisors positions that are open for 2011. This is your chance to get involved. We have nominees for each position except for Program Chairman. This isa critical job and needs a member to volunteer for it or be nominated for it. All board members help the member who takes this position. It is a fun position. He is the first member who will know what will happen next year. And we have the **2"x4"x48" Challenge**, have to get that done by 12/18/2010. We will also be having a raffle, if you have something's that you like to donate to make the raffle more interesting and to raise money for the club, bring it along to the December 18 meeting. **December 2010-** Wendell Ziegler will be showing us his mirror coat fill technique.

Clyde Cassel is organizing a group buy from Craft Supply USA: <http://www.woodturnerscatalog.com> contact Clyde at: dovetailfarm@yahoo.com or 608-654-5727. We had a monster order last year, it will be a good deal with free shipping, and a discount.

Then we have the Chapter project, we still need your help get involved contact Jim Frank: jhfbear@centurytel.net or 608-781-8092 or Duane Hill: wisawdust@charter.net or 608-783-0883

Well as we get into the Christmas holiday's lets get those projects done early for Christmas, like before our December meeting for the Club Instant Gallery remember it is better to give hand turned gifts then store brought gifts.

Continued on next page.

Great Job On the Pictures by Jim Frank

Thanks to all that helped out at A-Line. Turners were D Falch, C Cassell, D Wilson, R Egan, J Griffiths, J Frank, P Miller, D Hill, J Fisher,

Both Saturday and Sunday was a blast. We "Hogged" the show. Had to move my lathe twice because of the large number of people that were watching us. We need to get involved with more of these events. I will have more comments at the next officers meeting. Had a good time talking to Mike Hunter and Lyle Jamieson. They were within 2 booths from us. Enjoy the pictures.

We Need Your Help, And March Is Getting Closer!

We need some help members, time is slipping away. This is a club project, and we need your commitment. At this point in time, 2 bunk beds are being made and Ansel will work on the table. We need many more turners working on this project. Some ideas for trappings at 1" to the foot are:

1. Wood box with stacked wood (1-1/4" wide by 4" long by 3" high)
2. Two easy chairs (Scaled to 1" to the foot)
3. 4 table chairs (Scaled to 1" to the foot)
4. Beer Cans (6 Pack)
5. Whisky Jug (Old Time Ceramic)
6. Deer Horns
7. Canoe
8. Dishes (1-1/4" diameter X 4)
9. Pots (1-1/4" diameter X 2)
10. Wall Cupboards (2-3" long by 3" high by 1-1/4" deep)
11. Cloth coverings for openings on all cabinets
12. Foot stools for the two easy chairs
13. Pancakes to fit plates
14. Window (with Curtains)
15. Door with hinges (with door frame)

And many more ideas from the members. We have some things being worked on and we need your help, so Volunteer and take part this is a team effort and a fun project. We have less than 5 months till March contact
