Delta Days At A-Line was a great time. Clyde was making bowls, Jim was working on howling a piece. Ansel was turning a segment piece. I got to try out my sit down lathe. It was fun to turn on. We were there Friday and Saturday, had people coming and going. Thanks Tom for having the club there demoing. Phil

Our visit to the Tomah VA Hospital was a great time. We gathered there at 8am to get setup. We had 3 lathes and we were doing different things at each lathes. Ansel was doing Cigar Pens, Clyde was doing bowls, and Lee was Platters. Ansel was turning pens, he had 2 vets that he helped make themselves a fine writing pen.
