Phil Miller stepped up last month with a demo making small bird-house ornaments. That's a fun project, making use of odd scraps we save because they're too nice to throw away. They should make nice gifts. Thanks, Phil!

Hello turners

Nice weather is here again, cut the grass take care of the yard. Don't forget to do a little bit of turning.

Rich Egan will be doing some offset turning this June 21 should be fun. Rich's demos are always a good show.

We have Art Fair & Wine Tasting at Norskedalen Heritage site Sunday, July 6th 10am to 4 pm. We will have a booth where you can sell things, and do some turning. Contact John Phillips, or John Griffiths for more Info.

We are still collecting the \$25 fee for Jimmy Clewes demo this July 19th meeting, this will be an all day event. Lunch will be served, as part of the fee. He will demo 4 different projects on Saturday.

We will have a tool raffle at this month's meeting; we have 7 items from the General Tool Company.

There will be 7 winners, so buy some tickets and maybe you will win a tool.

Multi-Axis Turning at our June Meeting

This month we will learn how to make spindles that look twisted and bent, and show how to use these spindles as part of other objects. We will try to predict the outcome and learn how the combination of orientation and cutting techniques produce different shapes. I hope you will find it interesting.

Planning Ahead For this Summer...

The club has signed up for the July 6th event at Norskedalen to both demonstrate and sell members wares. This is a good event to showcase what we do. The public enjoys watching us demonstrate as well as members just chatting up our craft and art. It is a fundraiser for members to sell pieces; and the club benefits from sales as well as the creator of the piece. We will have a booth that Sunday from 10A-4P.

Contact John Phillips or John Griffiths if you would like to help, either as a turner/demonstrator or to just help set up or interact with the public.

Secretary Bob Patros Sends an update on the Gundersen Display

I set up the display this morning at Gundersen Health System in LaCrosse. It is located on the 3rd floor of the main clinic.

All but two pieces fit. Guess who's?

The display will be up through June 27. I will be taking down on June 28. If folks can pick up their pieces at my home after that time and before the Jimmy Clewes meeting in July, that would be preferable to taking to that meeting to distribute. Go see if you can. Several people stopped to look as I was setting up. Nice work, EVERYONE!

Thanks,
Bob
