The Prez Sez...

Hello Turners

Well November is here, Hunters are hunting.

Duane did a great job on turning ornaments.

This month we will be doing a hands on demo. John Griffiths has a lot of members doing different things.

We need your bowls for the empty bowl fundraiser brought to this meeting.

We are still looking for someone to fill the opening of activity director.

Our December meeting we will have our pot luck, more on that later.

See you at the meeting.

Two Items from Duane Hill

Empty Bowls Project

I Need your bowls for the Holmen Empty Bowls Project at the November meeting. Bowls can be any size from 4" diameter and greater. For each bowl, make sure you have your name, wood used and finished used. We will be taking the bowls to Holmen High School around December 1st. Contact Duane Hill if you any questions.

Craft Supplies Group Buy

If you would like to participate in the group buy with Craft Supplies, I need your orders by the November meeting. For your order in general, I need your name and e-mail address. For each item ordered, I need the part number from Craft Supplies, a description of the item, quantity desired, the cost of the item and the page number from the catalog (this helps a lot if we need to track the item down). No money at this time. I will calculate the overall discount and apply it to your order and then e-mail you with your total. The plan is to have the order placed by the end of November so we can have the parts by the December meeting. Contact Duane Hill if you any questions.

For Sale—Future Wood Project

I have an overabundance of walnut, cherry, maple, and oak that I am selling. My garage is too full.

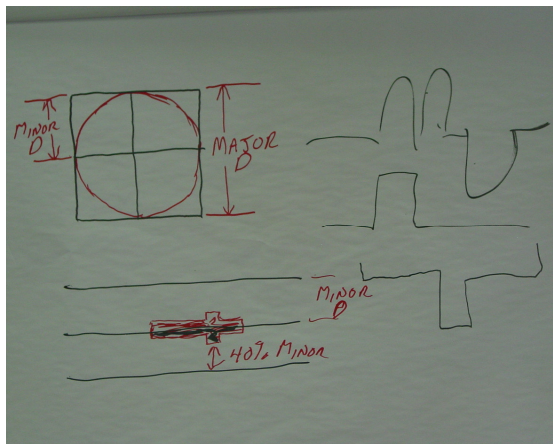

It is all rough sawn but I will plane it if desired.

The price is \$3.00/ bd-ft. no matter which type of wood you may want.

Please call me if you are interested. I live just outside of Holmen.
