The Prez Sez...

Hello Members

I hope those of you who hunt deer were successful. The turnout at the November meeting reflected the WI deer season - a bit lower attendance.

I appreciate the confidence all of you have placed in me to be the next President. We now have a full board. My thanks to: Bob Raasch for becoming Vice President. Ginny Wintersteen for continuing on as Secretary. Gary Friemann for continuing as Treasurer. Adrian Novak for becoming Program Director. Jack Fitzpatrick for continuing as Assistant Librarian. Joe Baker for becoming Librarian. Rich Egan as Newsletter Editor. We have several others as well; Kevin Vossler, our photographer; Ken Grunke, our web master; John Phillips the Tool Guy; Denis Falch our door greeter; the crews that set up before the meetings; those who put things away after the meetings; and for a coffee lover like myself, the folks who make the coffee and put out the donuts. (They just might have the most important jobs in the entire club.)

We have volunteers who make our outings at Norskedalen and the Great River Folk Fest successful events for the club. Jack Fitzpatrick is our liaison with the city of Onalaska. Steve and Carol Stevenson as well as Shorty Mueller for the outings at their places. I hope I have not forgotten anyone, these are the people who make the club the success it is.

Be sure to personally thank Phil for his leadership as president the past two years.

The December meeting will be more of what previous December meetings have been, just plain old fun and fellowship, lots of food, Instant Gallery and a visit from "Santa" Duane Hill with our Craft Supply orders. Please remember to bring a dish to pass. The club has soda, fine plastic tableware and high class paper plates and plastic cups, so just bring your dish and whatever utensil is needed to serve it.

Craft Supplies Group Order Update

Duane Hill reports our total order to Craft Supplies this year is \$5068.33. That total earned us a %14.3 discount on the total order, plus free shipping. Although there may be a few backordered items, most things should be here for distribution to all who ordered at our December meeting. If you cannot make the meeting, please contact Duane to make other arrangements and he can leave your heavy lathe bed extension or case of grinding wheels at home.
