Last month we hosted professional turner Nick Cook from Georgia. We spent the day making multiple projects in production turning mode. We even managed to find Nick a little snow before he went home!

The Prez Sez...

Hello Turners

This month's demo will be John Griffith's. He will be doing a coffee scoop. He makes a different one than Nick Cook.

Nick Cook what a great time we had 24 Projects in that one day. The library has his two DVD's to check out. The hands on session I hear was fun, and that a lot of secret salt shakers were made.

The board has been working on the calendar for the rest of the year:

April - John Griffiths Coffee Scoop

May - Duane Hill

June - Stevenson's John Farley

July - At A-Line John Fisher Talking about Glue

Terry Snowden has resigned his position as program director, so we are looking for a program director to finish out his term; this position is a voting member.

See you Phil
