Volume 16, Issue 7

A big thankyou to Steve and Carol Stevenson for the invitation to their museum and workshop last month. Also thanks to John Frawley for his demonstration of those deep curved edge bowls. You make it look easy John! Back to the Community Center this month. See you there!

CRW Mission Statement: To promote, to educate, and to inspire ourselves and others in the fine art of turned wood.

The Prez Sez...

Prez Sez

The club has plans for an outside demonstrator for the July meeting.

Lyndal Anthony from the Harry Nohr Woodturners in Platteville WI will be demonstrating deep hollowing. He has warned us that deep hollowing by itself is boring to watch, after all, the tool is hopefully making it's cuts out of sight. (If you can see the tool cutting, you most likely have gotten into deep trouble.) Therefore he plans to make the topic interesting and show us some tools he has designed for different cuts.

For August we make our field trip to Shorty's cabin up in the hills of Buffalo County on August 20. It is a beautiful ride, for sure; and his cabin is a paradise on earth. As always, we will need people to help with set up and cleanup afterward. We will be collecting money at the July meeting, \$10 a person for ribs, chicken, sweet corn on the cob, potato salad and drinks. Duane Hill will be demonstrating. Make plans on CRW Talk for carpooling.

In August we will be doing the Norskedalen Threshing Bee on the same day as Shorty's, August 20. This conflicts with our usual meeting date and we don't yet do time travel, so some members will be needed at Norskedalen to turn, sell and talk to interested people. Clyde will be leading this event and will need help. Someone needs to get the lathes from the clubhouse, help with the set up, and all that. So please volunteer.

The money earned by the club from sales at Norskedalen on July 10 and the upcoming August event will help us finance the purchase of upgraded video equipment. We have a few hundred dollars set aside for this and need more.

We will also be collecting for the Cindy Drozda demonstration and hands-on in October at the next meeting. She is a fantastic turner, artist and teacher and we would like to have all 16 of the hands-on slots signed up for by September 1. We open the hands-on to outside clubs that day for any remaining slots, so claim them while you can.

\$35 admission for the Saturday October 15 demonstration, meal included; and \$125 for the Sunday October 16 and Monday October 17 hands-on sessions.

'Nuf said.

Opportunities

Gundersen Display Update

Congratulations to all that participated in the display! I have heard from many employees (and members) that they really liked it.

The pieces are ready for pick-up and I will be bringing them to the upcoming meeting. If you cannot attend the meeting and have not made arrangements with me to pick up your piece(s), I will be leaving them in the locked section of the Senior Center with our club's belongings for you to get at another time.

Thanks, Bob Patros

Thank you to all who participated in the Norskedalen Wine and Art Festival. Nine members spent a portion of the day demonstrating, selling, and socializing. The club member turnout was great. More members made for interesting conversations, and a lot less work for each of us. Our sales generated approximately \$70.00 for the club treasury. A number of people asked questions about turning. We answered questions, and often suggested that they might enjoy attending one of our club meetings. Who knows, we may have encouraged a new member? The event was a successful club activity, even though it rained all morning.

Thank you,

John Phillips

"A Turn For the Better"

Next Meeting
Saturday,
July 16 2016 at 9 am.

Here's a map to help those who aren't sure where we meet. It's the Onalaska Community Center 515 Quincy St Onalaska, WI. 54650 608-783-9290

We'll start the program promptly at 9am, so get there early to avoid getting a Uecker Seat.

We'll have coffee, so
Chocolate donuts are
ALWAYS
Welcomed.
