Volume 16, Issue 8

Our guest demonstrator in July was Lyndal Anthony from the Harry Nohr Woodturners in Platteville. Lyndal showed his methods and specialized tools for deep hollowing, and discussed the physics and safety concerns for taking on these specialized projects. Next month we travel to the hills above Alma, WI for a day at Shorty Mueller's cabin. See details in this newsletter.

CRW Mission Statement: To promote, to educate, and to inspire ourselves and others in the fine art of turned wood.

The Prez Sez...

August is going to be a pretty busy month. We have two club events on the same day. One is the regular meeting on [August 20](#). This will be the annual outing at Shorty Mueller's up on the Alma Bluff. A very scenic corner of the world indeed. Duane will demonstrate. We will be having the usual: ribs, chicken, sweet corn and a desert to pass. The club will be supplying drinks. \$10.00 a person for this feast and the fellowship is free. Look elsewhere in the newsletter for driving directions and watch for motorcycles. Many bikers like to try the winding, little-traveled roads. If you have not paid, I will be collecting money at the meeting. Phil Miller and Ansel Heram will be leading a caravan from Sam's Club leaving at 7:00AM.

The club will need some people to help Shorty set up [Saturday](#) starting at 8AM. We will also need people to help tear down and clean up afterward. No library nor Instant Gallery that day.

Norskedalen is also having their Threshing Bee on [August 20](#) at the main grounds north and east of Coon Valley. We have a few people scheduled to demonstrate turning and sell items. Clyde is in charge (thanks so much, Clyde) and the club's Jet lathes will be there. This too is an opportunity to show our woodturning prowess, making bowls or even simple things you can give away to the people watching. Bring your tools and wood; and be ready for a pleasant day. Of course there is a lot to see at Norskedalen and good food is a plus too. And remember, the lathes won't load nor unload themselves so we will need folks to help at both ends of the day.

The long awaited Cindy Drozda demo/hands on is coming up very soon. [October 15, 16](#) and 17 will be here before we know it. We want to get as many signed up as possible and as soon as possible. \$35.00 for the [Saturday](#) demonstration, she is one of the best in the world and unfortunately, she does not work cheaply. But her demonstrations are excellent. The hands-on classes on [Sunday](#) and [Monday](#) are \$125.00 a person, also very worthwhile. We open admission to the hands-on to other clubs on [September 1](#); so to be certain of a place, sign up soon. I will be collecting money for Drozda at Shorty's. Gary Friemann will be collecting at Norskedalen.

Gundersen Display Update

Most have picked up their display pieces. There are four members who have not, and those pieces are locked at our corner of the Onalaska Sr. Center. Jay Johnson, Jennifer Wilson, Dan Wilson, and James Kowalski. The pieces will be available to you at the September meeting, unless you make special arrangements with whomever has the key to the center.

Thanks, Bob Patros

"A Turn For the Better"

**Next Meeting
At Shorty Mueller's
Saturday,
August 20, 2016 at 9 am.**

**Next Meeting is a road trip
Saturday August 20 2016**

Here's a map to help those who aren't sure where we meet this time—at the Shorty Mueller Retreat, northeast of Alma. Address is:

**Fire number 1470
County Highway S
Alma, WI 54610**

It's the log cabin at the end of the dirt road at the top of the hill almost 5 miles from where the White School House used to be on Highway 37.

Look for the sign at the top of the hill on County Road S. If you get lost, God help you. There is no phone at this location.
