

# One Good Turn

## Coulee Region Woodturners

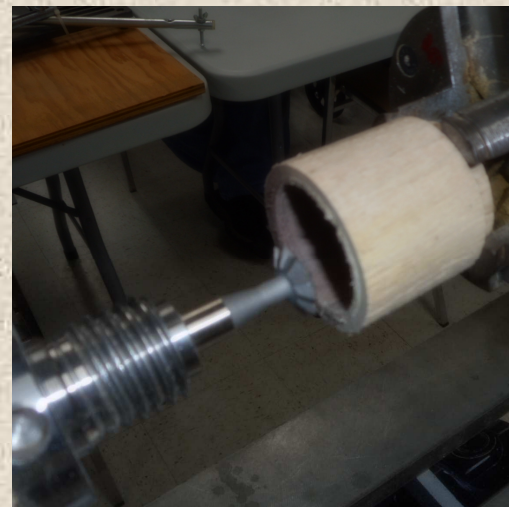

Chapter of the American Association of WoodTurners

October 2017

[www.crwoodturner.com](http://www.crwoodturner.com)

Volume 17, Issue 10

We had a great September meeting, with a presentation from Duane Hill on threading wood with a twist. Hope you all had enough donuts. In October Jim Frank and Associates will teach us about large vases, which is only spooky if you look way down in the bottom. Our challenge, if you choose to accept it, is to make some natural edge mushrooms. Hope to see you at the Center.

**CRW Mission Statement: To promote, to educate, and to inspire ourselves and others in the fine art of turned wood.**

## From a Knot in The Board...

We have had a wonderful late summer and early fall. From an excellent outing at Clyde's with a great demo by Dan on chainsaw use and safety to being back in the club house after a few months off to see an awesome presentation by Duane on threading and thread chasing. On my last ride out of town the beauty of the trees and fall foliage is coming into its splendor. A ride in the country is great this time of year except October 21 - our meeting date.

This is election times for our club. Let me give you the dirt on my opponent. He/she really deserves to get elected. Enough of that. We will be electing new officers to our board of directors. All members are eligible for all offices and your choices are: President, Vice President, Secretary, Treasurer, Program Chair. These are the voting members of your board. Others who are volunteers and not elected are: Librarian, Newsletter, Tool Czar, Web Master. Bob Raasch and Duane Hill have decided not to run for reelection and Virginia Green would like to rotate the position of Librarian with someone.

We will be electing officers at the October meeting and they will take office January 1, 2018. Last year we had fireworks from Granddad's Bluff to celebrate the exchange of power.

At this month's meeting Jim will literally be getting to the bottom of the large vases. Come see the tools and techniques he uses to finish his creation so deeply. He will also be demonstrating topping it off. He will be assisted by Odell Anderson and Kris Clough.

We have been working hard on setting up the balance of this years and much of next year's programs. A spread sheet is included in this newsletter. A couple things to note:

Mike Hunter is coming to us at no cost to the club. He will be bringing Hunter Tools for sale (deeply discounted). You are not obligated to purchase anything but the price may be worth a look.

We will be having our annual potluck Christmas party as usual this year so start thinking of what you are going to bring. I hope there is a great pheasant crop this year again. The AAW representative will be with us to tell us about the AAW and answer any questions you may have.

We are looking to have Robert Nelson with us this year as our professional turner. I have heard many good things about him and his previous presentations he did for the club several years ago. We will be charging for his presentation as we usually do. He does not charge as much as the pros so our price will reflect this.

See you on the 21 with your hands raised.

Adrian

**"A Turn For the Better"**

**Next Meeting  
Saturday,  
October 21 2017 at 9 am.**

Here's a map to help those who aren't sure where we meet. It's the Onalaska Community Center 515 Quincy St Onalaska, WI. 54650 608-783-9290

We'll start the program promptly at 9am, so get there early to avoid getting a Uecker Seat. That would be scary!!

We'll have coffee, so Chocolate donuts are ALWAYS Welcomed.
