## **FOUND IN THE WOOD CHIPS UNDER MY LATHE - from John Griffiths**

Hello Members,

Hope you all have had a good summer so far. I have, and am in shock that summer is two thirds over already. But still some nice weather to come so make the best of it.

Our August Demo will feature Lyndal Anthony and deep hollowing. He will demonstrate a tool he has designed for this. Lyndal demonstrated for us several years ago and brought along several hollow forms he had created. They were tall, wide and hollowed to a thin wall. One species of wood I recall him using is box elder, AKA "Manitoba Maple" with it's lovely honey colored wood. He is a member of the Harry Nohr Woodturners in Platteville WI. He will have some of his tools on hand for sale.

I am one who loves deep hollowing and deep hollowed pieces. It is magic when the plan comes together and you end up with a nice lightweight piece with thin walls.

After years on the board, I have decided to step down as Program Director. Time to make room for someone else, so if you re interested, throw your hat in the ring.

Word has that Kris has decided not to serve as secretary in the upcoming year too. She has served the club well for many years.

Please consider stepping up for either office. Neither job is particularly difficult but takes some time and attention each month. These jobs are voting board member positions that require AAW membership.

Keep the wood turning.

John

**"A Turn For the Better"**

**Next Meeting**

**Saturday**

**August 19, 2023**

Here's a map to help those who aren't sure where we meet. It's the Luther High School Shop. 1501 Wilson St, Onalaska, WI, 54650  
608-783-5435

We'll start the program promptly at 9 am, so get there early to avoid getting a Uecker Seat.

We'll have coffee, so Chocolate donuts are ALWAYS Welcomed.
